**Student Work Release Form: Internet Web Project Publishing**

Dear Parent/Guardian:

Teachers may be creating web pages to display samples of student work on the Internet (such as essays, poetry, projects, etc.). This is an opportunity for students to share and view each other's class work. Students will **always** be asked first for permission to display a particular piece of work on the Internet as part of a school project. If the student agrees, and this signed form is on file with the classroom or project teacher, then the teacher will display the student's work on the Internet. The work will be accessible to anyone who is connected to the Internet with a web browser. Student work presented for viewing on District web pages and the Internet **will not** contain student last names, or any student personal information.

Please indicate whether or not you would like your student's work to be included on classroom or District web pages and sign below.
